LEAD RESPONSES FOR YOUR REVIEW  
SEPW QFRs 03.22.2012 - OECA 61 & 65 - 02.11.2013\_Draft.docx

Steve,

Attached are draft responses for the two Inhofe QFRs for which OECA has lead.

The attached includes input from Regions 3, 6, and 8.

We are still awaiting input from OSRE, but are sending this to you in the interest of time.

Please note that Susan Shinkman is recused from Dimock matters, so I am sending her a separate version without the Dimock reference.

Let me know if you have any comments on the attached, and we can incorporate.

Thanks,

-Andrew
